Linux Magazine ISSN 1471-5678
Linux Magazine is published monthly by Linux New Media Ltd, Manchester, England. Company registered in England.

Windows 7

If you have to live with Windows, you might as well make the most of it.

14 Samba and Windows 7

Samba provides Windows-ready file and print services on mixed networks. We'll show you how to set up a Samba server for Windows 7 clients.

22 Cygwin

Cygwin lets you run Linux applications on Windows. The package even includes a shell environment and some popular Linux command-line utilities.

Community Notebook

88 Cache

Lib-Ray is Blu-ray without the DRM.

89 Doghouse

maddog cleans out his electronics closet and envisions a low-energy future.

90 Kernel News

Zack reports on Google firmware, concurrent versioning, sysfs, and non-masking interrupts.

92 Projects on the Move

Linux for children with HeliOS, Edubuntu, and Qimo for Kids.

HIGHLIGHTS
